Report:

Aim of the event:

Multi-level workshop on the implementation of new CoM goals. Svim has been involved sharing the LIFE SEC ADAPT experience about the governance process for defining climate change adaptation strategies and plan for small-medium towns.

During the morning session several relevant Italian policy makers talk about the National Plan for Climate and Energy and possible funding for the implementation of the actions.

During the afternoon session, several Italian best practices representatives talk about the Joint SECAP and innovative experience in adaptation and mitigation to climate change.

Specific SEC ADAPT Partners activity (presentation, participation to workshop, poster etc)

SVIM was involved as speaker during the afternoon session, sharing LIFE SEC ADAPT “Marche Region Covenant of Mayors” experience on supporting local authorities especially on the issues related to adaptation.
