## Report:

### Aim of the event:

(max 500 words )

The specific aim of the SIMPLA project workshops held in each participating countries (Italy, Spain, Austria, Croatia, Bulgaria, Romania) is the gathering of stakeholders in the fields of energy and mobility to discuss multilevel governance strategies, policies and planning tools and operational, financial and organisational measures for energy, transport, mobility and land-use planning at community and municipality level.

The collected contributions will feed the SIMPLA guidelines, providing a transnational methodology for the harmonization of SEAPs and SUMP's whose first release is foreseen in 2017.

**Specific SEC ADAPT Partners activity (presentation, participation to workshop, poster etc)**

(max 500 words )

Region of Istria: participation to the workshop

**Lesson learnt to spread with LIFE SEC ADAPT partners:**

The workshop participants realized that only the integration of stakeholders coming from different involved sectors would bring to qualitative solutions in development of good strategies and plans.
